Principal's Corner

Junction Families,

Having celebrated 100 Days of School this week, we are looking forward to a variety of activities, events, and breaks throughout the remaining months of the 2018-2019 school year. Our hope is to keep you informed and updated on all school related activities. A great resource for school information is the Junction Elementary School District web page (www.junctionesd.net). If you click on the calendar icon  on the webpage, you will be taken to our regularly updated and maintained calendar. In a glance, you can see all scheduled upcoming activities (sports, dances, breaks, fund raisers, celebrations, assemblies, etc.) for that month. We also have a Junction ESD app (Junction ESD) and twitter (@JunctionESD) account.

We have begun to narrow our focus in preparation for the upcoming State Testing (CAASPP). We plan to test during the weeks of April 29-May 17, with makeup testing May 20-24. We ask Junction families to be aware of these dates and to avoid having your children off campus on those days. Please understand the importance of state testing and student attendance during these weeks when planning appointments, trips or other activities that will have students away from school.

Thank you.

Shawn Martinez
Principal
