

## [Online School Counseling Resources Click Here](#)

### **School Counseling Beliefs**

- All students have the right to a safe learning environment.
- All students are capable of success.
- All students are provided equal access to high quality counseling, regardless of ethnicity, family income, gender, or, special needs.
- All students have access to a school counseling program.

### **Meet the Counselor**

Melissa Morris has worked with children and families in the educational setting for over 20 years. She is credentialed by the State of California and holds a Bachelor of Science degree in Psychology and Master of Science degree in Educational Counseling. She has been a part of the Junction family since 2018. She loves working with and supporting students and families. Melissa finds immense joy exploring the Pacific Northwest with her family beachcombing, kayaking, and recharging by creating art.

If you would like to connect with Melissa call or email here @ (530) 355-1994 or [mmorris@junctionesd.net](mailto:mmorris@junctionesd.net)
