## **School District Integrated Pest Management Plan**

When completed, this template meets the Healthy Schools Act requirement for an integrated pest management (IPM) plan.

An IPM plan is required if a school district uses pesticides 1

## Pests and non-chemical management practices

This school district has identified the following pests and routinely uses the following non-chemical practices to prevent pests from reaching the action level:

Pest	Remove food	Fix leaks	Seal cracks	Install barriers	Physical removal	Traps	Manage irrigation	Other
mold	ر	Ø	D	ر ت	Ø			
Awts	Ø		ø,	र्य				
Reaches	Ø	Ø	T.	Ø		Q		
Snibers		0	4		Ø			
Parches Spiders Wasps			Z		Q	V		

## Chemical pest management practices

If non-chemical methods are ineffective, the school district will consider pesticides only after careful monitoring indicates that they are needed according to pre-established action levels and will use pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property and the environment

111 6	a mariner that minimizes have to people, property and the environment.
	is school district expects the following pesticides (pesticide products and active ingredients) to be applied during the year. (This includes pesticides that will be applied by school district staff or licensed pest control businesses.):
¥	Roandup Glyphosate
He	∌althy Schools Act
V	This school district complies with the notification, posting, recordkeeping, and all other requirements of the Healthy Schools Act. (Education Code Sections 17608 - 17613, 48980.3; Food & Agricultural Code Sections 13180 - 13188)
Tra	aining
Eve	ery year school district employees who make pesticide applications receive the following training prior to pesticide use:  Pesticide specific safety training (Title 3 California Code of Regulations 6724)
Ø	School IPM training course approved by the Department of Pesticide Regulation (Education Code Section 16714; Food & Agricultural Code Section 13186.5).
Sy	bmittal of pesticide use reports
Ø	Reports of all pesticides applied by school district staff during the calendar year, except pesticides exempt <sup>1</sup> from HSA recordkeeping, are submitted to the Department of Pesticide Regulation at least annually, by January 30 of the following year, using the form provided at <a href="https://www.cdpr.ca.gov/schoolipm">www.cdpr.ca.gov/schoolipm</a> . (Education Code Section 16711)
