Dear Parent or Guardian,

June 2, 2021

As this very unusual school year is ending, the school nurses wish to remind you of important issues that will help your child transition smoothly back to school in the Fall. Please prepare for a successful start next school year, by scheduling or completing the following over the summer, before school starts next year:

- * medical care provider visit & orders for care at school re: chronic health conditions,
- * signed prescriptions for ongoing or new medication,
- * documentation of required immunizations, especially for Kindergarteners, 1st graders, 7th and 8th graders before school starts. Please go to www.shotsforschool.org for information.

Having these items, *before school starts*, will allow the school nurses to provide the best supervision of care for your child on day 1. Please feel free to contact the School Nurse with any questions or concerns. Thank you for your cooperation and understanding. We hope you have a wonderful, memorable Summer, and we look forward to seeing you in the Fall.

Nell Hudson, RN BSN, MVJPA School Nurse
