Regular Board meetings shall be adjourned at 10:00 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date.

(cf. 9320 – Meetings and Notices)

The Board shall act by majority vote of all of the membership constituting the Board.

(cf. 9270 – Conflict of Interest)

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So is not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Ed Code 25145.5; Government Code 54954.3)
2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Ed Code 35145.5; Government Code 54954.2)
3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities (Government Code 54954.2)

(Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

Individual speakers shall be allowed three minutes to address the Board on each agenda or non agenda item. The Board shall limit the total time for public input on each item to 20 minutes.

With Board consent, the Board president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)
