

Dear Parents and students:

At Junction School, we encourage a love of reading in all of our students in a variety of forms. Recently, we have seen more and more Nooks and Kindle book readers at school. These devices are welcome at school with an understanding of how they will be used on campus.

Some of these devices are only readers; others can access internet and can have other functions than just reading. We already have a stated use policy for cell phones and for internet privileges at school, but we are in the process of developing a use policy for E-Book readers such as the Nook and the Kindle. With that in mind, we are asking parents to sign a contract similar to a cell phone permit, with the understanding that this permission may be replaced later in the year with a more formal district policy.

Please read the form below and send it back to the office as soon as possible.

Thanks,

Junction Middle School Staff

---

I give \_\_\_\_\_ (name of student) permission to use an E-book reader such as the Nook or Kindle under the direct supervision of a teacher with the understanding that the reader will be used for reading books, and not for other purposes. Further, I understand and agree that the district has no liability for lost, stolen or damaged devices.
