all about me

Hi! My name is Chase Chartier and I am so excited to be working with your child and family this year!

This will be my second year teaching at Junction Elementary.

I received my Bachelor's in Business Management from Azusa Pacific University and continued at Western Governors University where I received a Master's in Elementary Education.

I was raised in Redding and worked several years in education before becoming a teacher.

When I'm not at school, I enjoy hiking, reading, and spending time with my 6-year-old brother!

classroom SUPPLIES
